-Derek Berg
President, Aptus Court Reporting

"The videographer I worked with that day, Misha Tsirtsan, was one of the BEST videographers I have worked with. He was so professional, courteous, and pleasant to work with. He took time to explain to the deponent exactly how the videotaping worked which I have never seen any other videographer do. He went out of his way to always offer coffee and water to everyone in the room..... he was just great. I have never in 30 years seen this before."
